COURSE OVERVIEW

The Qualification has been created to develop and reward learners with legal skills and knowledge in international business law and to continue to bring recognition and professionalism to a wide range of sectors. The aim of this programme is to develop legal skills, analysis, logical thinking and knowledge that can usefully be applied in further study, legal profession and public service. It provides students with understanding of law in context of business to equip them with abilities needed to work with advance issues.

LEARNING OUTCOMES

1	To understand wide ranges of subjects in the international business law
2	Develop an understanding for legal framework that governs the international business transactions within industry
3	Demonstrate an understanding of the commercial trust law, company law, international trade law, intellectual property law, and law of financial crimes in the international business
4	Develop research skills and ability to write on key areas in international business law.
5	Select, collate, review and analyse information form a wide range of sources
6	Work independently and as part of a team
7	Manage one's own personal development and growth
